

**The Chartered Institute of Arbitrators  
Cyprus Branch**

**Two-day Introductory Course in  
Construction Adjudication**

**Commencement Date: 17 & 18 May 2017**

The Chartered Institute of Arbitrators (CI Arb) is one of the world's leading centres of excellence for the development of arbitration, mediation and other forms of dispute resolution at all levels.

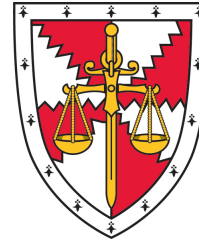

The Institute was founded in 1915 and now has over 13,000 members in more than 100 countries. The CI Arb is a not-for-profit charity, which works in the public interest through its international network of more than 30 Branches and Chapters.

The Cyprus Branch is launching an introductory course in Construction Adjudication, which is the first step in the Institute's "Pathways to Fellowship" programme for Adjudication. Those Course participants therefore successful in completing the course Assignment will be able to apply to the CI Arb for Associate Membership in Adjudication.

The Introductory Course is supported by subsequent advanced courses leading to full Membership and Fellowship of the CI Arb,

The Cyprus Branches' course in Construction Adjudication is based on practices in UK and Internationally.

The Aim of the Course is to provide an understanding of the general principles of construction adjudication and its relationship to other dispute resolution processes. The course will provide candidates with an introduction to the legal framework and good practice and procedure in, construction adjudication.
