

The Chartered Institute of Arbitrators (CI Arb) is one of the world's leading centres of excellence for the development of arbitration, mediation and other forms of dispute resolution at all levels.

The Institute was founded in 1915 and now has over 13,000 members in more than 100 countries. The CI Arb is a not-for-profit charity which works in the public interest through its international network of more than 30 Branches and Chapters.

The Cyprus Branch is an approved provider of the Institute's Courses. The diversity of cultures and practices across the continent and other countries around Cyprus enables the Branch to bring together a unique mixture of dispute resolution methods, practices and experiences.

The Cyprus Branch is launching this Module 1 Course in International Commercial Arbitration. The course is delivered over a period of three months, with a combination of private study and face-to-face tutorials which will be held in Cyprus.

It will provide an opportunity for the existing associate members to acquire the second step for becoming members of the institute. At the end of the course there is going to be a written examination. Successful candidates will be able to apply for becoming members of the Institute and proceed with Module 2.

The course start date advertised is the start date of the course when candidates will be required to start their private study of reading NOT when they attend tutorials. The face-to-face tutorial dates are listed on the Course Schedule below.

What is the aim of the course?

To provide candidates with a detailed knowledge of the procedural elements of an international (i.e. non-domestic) arbitration, using legislation based on the United Nations Commission on International Trade Law (UNCITRAL) Model Law, regional arbitration law, and the UNCITRAL Arbitration Rules to enable them to understand and participate in such proceedings.

The course focuses on legal principles, process, practice and procedure in international arbitration. It is therefore valuable for anyone wishing to understand this topic generally, for example as a party, party representative or witness. It is also an essential requirement for qualification as a Fellow of CIArb, and for those who aim to practise as an international arbitrator.
