On line Course on Anti-Money Laundering:

ETC Events Training Centre Ltd, are glad to announce the 6-hour course on Anti-Money Laundering and Counter-Financing of Terrorism for Directors and Obligated Entities.

Money Laundering and Financing of Terrorism is an area of great concern for every business – large or small. Any, goods and services provider may fall victim of persons wishing to launder their illicit gains through their business – be that a supermarket, a real estate developer, a jeweler or a construction company. Obligations on the Obligated Entities have, in recent times, increased exponentially, both in volume and in complexity.

This programme was created *by* professionals in the field of AML/CFT who deal on a daily basis with the challenges of Obligated Entities, and has been designed *for* business directors and professionals, who already have a grasp of the essential principles, and wish to sharpen and bring up-to-date their knowledge.

The **latest developments in the Cypriot legislative framework (Law 188(I)/2007)**, with the transposition, in February 2021, of the **5th EU AML Directive**, and its effective implementation will also be examined. In addition the seminar will deal with the **examination of smart technology solutions** for client identification, **KYC and transaction monitoring purposes**.

Who should attend?

This course is suitable for Directors and professionals working for or providing services to Obligated Entities according to the AML Law, including compliance and AML Officers of Investment Firms, Administrative Services Providers and Banks, directors and managers of UCITs, AIFs and AIFMs.

By attending this seminar, participants will be entitled to 6 continuing vocational training units (CPD points) for purposes of the annual renewal of their registration on the CySEC Public register and the CySEC AML Compliance Officers' Register.

The Syllabus

1. Stages and techniques of Money Laundering. Vulnerabilities of the Cypriot financial and business sectors.
2. Summary of the basic legal and regulatory requirements.
3. Building your defences: key actors and key actions.
4. AML/CFT – Assessment and management of risks for your business.
5. Know-Your-Client and Client Due Diligence: the essential and the latest.
